- (a) Transportation shall be provided during an Employee's locum assignment. The manner in which transportation is provided (e.g. rental vehicle, company-owned fleet vehicle, or public transportation) will be determined by the Employer. RE: EMPLOYMENT IN MULTIPLE POSITIONS

1. The Parties agree that this applies to Employees who hold more than one (1) position within the Bargaining Unit or to Employees who subsequently attain more than one (1) position within the Bargaining Unit.
2. An Employee is responsible for notifying their supervisor that they are employed in multiple positions with the Employer.
3.
 - (a) Subject to Article 12: Hours of Work, Employees shall not be employed within the bargaining unit in greater than full-time capacity.
 - (b) Notwithstanding the above, an Employee who holds a part-time position(s) may work additional shifts; however, it is intended that the total hours will not normally exceed full-time hours, and in any case shall not contravene this Letter of Understanding.
4. Subject to the Employer's operational ability to do so, the Employer agrees to combine the regular hours of work of multiple positions held by an Employee for the purpose of benefit eligibility, Vacation, Sick Leave, Named Holidays, Increments, placement on the Salary Appendix and Seniority, provided that the following conditions are met:
 - (a) the total hours of the positions do not exceed full-time employment as defined in this Collective Agreement; and
 - (b) the regular hours of work to be combined are associated with regular part-time positions; and
 - (c) the positions are in the same classification and their schedules can be made Collective Agreement compliant or the Employer and Employee mutually agree to waive the scheduling provision of Article 12: Hours of Work in the Collective Agreement.
5. Where the regular hours of work of multiple positions cannot be combined in accordance with paragraph 4(c) above, because they are in different classifications, they may be combined for the purposes of determining benefit eligibility only.

6. An Employee who holds multiple positions would have their salary adjusted to the highest increment level achieved in any of the positions currently held, providing that the positions are the same classification. The period for any further increment advancement would include any regular hours already worked and not credited towards the next increment level.
7. An Employee who holds multiple positions would have the earliest “seniority date” recognized for the purpose of Article 9: Seniority.
8. Probation and trial periods will apply to each component of the multiple positions. Probation is completed upon the successful completion of the first (1st) probationary period, with probation in second (2nd) and subsequent positions reverting to a trial period within the provisions of the Collective Agreement except that there shall be no obligation on the Employer's behalf to reinstate the employee in their former position.
9. The provisions under Article 34: Layoff and Recall shall apply individually to each position.
10. An Employee who holds multiple positions, and who fails to report for work as scheduled due to a conflict in schedules, may be required to relinquish one (1) of the positions.
11. An Employee who accepts multiple positions acknowledges the Employer's requirement to manage shift scheduling based on operational need. If a schedule changes as a result of operational requirements, then an Employee may be required to resign one or more of their positions. Should an Employee be required to resign from a position(s) under these circumstances, they shall be given twenty-eight (28) days’ notice of such requirement, or such lesser time as may be agreed between the Employer and the Union.
12. The Employer reserves the right to deny or terminate multiple position situations based on operational requirements or health and safety factors, subject to all provisions of the Collective Agreement.
