Catholic Sisters' Legacy Recognition Project

The project includes four elements:

- Establishment of a permanent monument, "Service through Christ," on the Alberta Legislature grounds.
- Request to all municipalities across the province to have September 28, 2011 proclaimed as Catholic Sisters Legacy Recognition Day in their community.
- Celebration of Mass, with reception, at St. Joseph's Basilica in Edmonton on September 28, 2011.
- Production of a video celebrating the Sisters contributions and how they have inspired people to carry on the torch (will be posted at www.covenanthealth.ca by mid-October 2011.)
