

Be a part of something
extraordinary

At Covenant Health, nursing is more than a job—it is a passion and a calling to make a difference in the lives of those we serve. Our extraordinary team of healthcare professionals provides excellent, compassionate care across the continuum of care in both urban and rural communities. Acute care or continuing care, surgery or mental health—whatever your interest, Covenant Health can give you a fulfilling and rewarding career in nursing. Join our team and discover the rewards of being part of a team committed to compassionate care.

*Compassionate care led
by Catholic values*

www.CovenantHealth.ca

Building on our long legacy of service, we are committed to serving all those in need of healing—body, mind and soul.

Established in 2008, Covenant Health is Canada's largest Catholic health care organization, bringing together 16 Catholic facilities in 11 communities across Alberta. Covenant Health has close to 2,400 beds, a budget of over \$500 million, and a team of more than 8,500 staff, 900 physicians and 2,750 volunteers.

Healing the Body, Enriching the Mind, Nurturing the Soul

As a faith-based provider of health care, we believe in serving with compassion, upholding the sacredness of life in all stages, and caring for the whole person—body, mind and soul. We serve people of all faiths, cultures and circumstances, according to our values: Compassion, Respect, Collaboration, Social Justice, Integrity and Stewardship.

By joining our team, you will help us meet our vision to positively influence the health of Albertans and to be of greater service to those in need, by working together with compassion, quality and innovation.

Relocation Assistance

Candidates who move in order to accept employment with Covenant Health may be eligible for relocation expenses. Contact Human Resources for more information (see back).

A Commitment to Learning

Covenant Health nursing staff benefit from our Staff Education fund, education fair days, opportunities for specialized clinical competencies, as well as Specialty Nursing Training for RN's in ICU, ER, and OR. Clinical Nurse Educators are a part of each program to assist in learning skills and new competencies.

Covenant Health also works in collaboration with the following nursing schools in Alberta to facilitate positive learning experiences during student placements at our sites.

University of Alberta
University of Lethbridge
Lethbridge Community College
Augustana College (Camrose)
Portage College (Lac La Biche)
Grand Prairie Regional College
Keyano College (Fort McMurray)

University of Calgary
Athabasca University
MacEwan College
Norquest College
Red Deer College
Nightingale Academy

"People will help you out, they'll go the distance for you just to make things okay."
~ Michelle Stobbs,
RN, Medicine,
Misericordia
Community Hospital

Strong people, strong teams

Building healthy teams is also a priority for Covenant Health. We encourage program and unit based staff socials as well as staff wellness events to foster a supportive and nurturing environment. Leadership workshops are available for front-line staff as well as managers, to help teams build understanding and support for each other.

"It's a matter of creating that opportunity for hope and healing for each person, including myself, because we all grow together."
~ Janine Landry, Clinical Nurse Educator, Emergency, Grey Nuns Community Hospital

A Commitment to Compassion

Our holistic approach to well-being also extends to those who work with us. Covenant Health values professional growth and development; we provide our nursing staff with opportunities to learn, explore, and create progressive approaches to patient care.

In striving for compassionate care, our sites honour our people's accomplishments with Mission awards, Long Service awards, and Nursing Week celebrations.

Staff Health and Well-being

In addition to comprehensive and competitive benefits packages Covenant Health offers supports for all aspects of your life, such as employee and family assistance programs, occupational health and safety services, chapels, and staff social events. Some sites offer access to fitness centres and massage therapy.
