

Addiction, and caring for this vulnerable population

Monday, February 12th, 2018; Grey Nuns Community Hospital auditorium

Photos will be taken during the event and may be published in Covenant Health publications - including but not limited to, *Covenant Health Research*, the Covenant Health Research Centre's (CHRC) website, *Research Notes* and on CLIC. Kindly inform the CHRC office of any concerns.

Objectives:

1. Enable awareness and foster understanding of addiction and the challenges addiction presents by featuring lectures from experts in the field;
2. Showcase latest research in the area of addiction;
3. Explore opportunities to address issues and expand or enhance current addiction programs through discussion;
4. Provide an opportunity to engage and network with our partners through discussion about addiction;
5. Identify gaps and discuss next steps needed to improve access and outcomes for addicted patients; and
6. Demonstrate the importance of patient and family involvement in the addict's healing journey.

Program
