BONNYVILLE

The town's motto - "It's Multi-Natural" - refers to the town's celebration of its diverse cultural heritage and rich natural resources. Bonnyville is a great place to work, play and raise a family. It provides the perfect mix of community services through health, education, recreation and cultural facilities.

As a major service area, Bonnyville serves more than 10,000 people, and is the hub for the oil and gas industry with over 60 national and international companies setting up head offices within the town.

Surrounded by lakes and majestic boreal forest, Bonnyville offers visitors and locals a treasure trove of natural wonders. Bird watching enthusiasts flock to Bonnyville's Jessie Lake every spring to spot the nearly 200 bird species that use the lake along their migration route. In addition, hunters from around the world come to try their hand at hunting white-tailed deer or a bear, and fishermen cast their lines into the area's many lakes.

The Bonnyville Health Centre provides a full range of health services to this diverse and growing community. It honors Covenant Health's mandate to provide care that heals the body, enriches the mind and nurtures the soul. Programs & Services include: 24-hour Emergency, Aboriginal Liaison, Acute Care, Ambulatory Care, Cardiology, Community Cancer Centre, Continuing Care, Day Surgery, Diagnostic Services, Dietitian (inpatient and outpatient counseling), Endoscopy, Family Medicine, Internal Medicine, Laboratory, Obstetrics, Orthopedics, Palliative Care, Pediatrics, Rehabilitation, Spiritual Care, Surgery & Anesthesia, Telehealth Consults, and Urology.
