

Bonnyville Health Centre

Bonnyville Health Centre was founded in 1919 by the Sisters of Charity of Notre Dame d'Evron, whose motto "charity above all" still lives on today. They provided holistic, compassionate care to everyone who came through their doors and were an integral part of the growing Bonnyville community.

Today, Bonnyville Health Centre provides a full range of health services to a diverse community, providing care that heals the body, enriches the mind and nurtures the soul.

Covenant family

The Covenant family contributes to the health and well-being of Albertans as three non-profit Catholic organizations rooted in a 156-year legacy of compassionate care and service in the province. At the heart of Catholic health care is a profound respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people — from all backgrounds, faiths and circumstances — especially society's most vulnerable.

As sibling organizations, the three separate entities share the values and mission of the congregations of Sisters who founded health care in Alberta. As leaders and innovators in their fields, each organization contributes to a strategic plan to be of greater service and to transform the health care system and create vibrant communities of health and healing.
