

## St. Mary's Hospital, Camrose

St. Mary's Hospital was opened by the Sisters of Providence of St. Vincent de Paul in 1924 in response to an invitation from the Mayor of Camrose to open a hospital. As demand grew, the Sisters expanded the hospital and even began a nursing school to sustain nursing in the community.

Today St. Mary's Hospital is a modern hospital that serves a diverse and growing rural community with a wide range of acute care services. St. Mary's Hospital serves with hospitality and compassion, honouring the spirit of the Sisters who opened its doors.

### Covenant family

The Covenant family contributes to the health and well-being of Albertans as three non-profit Catholic organizations rooted in a 156-year legacy of compassionate care and service in the province. At the heart of Catholic health care is a profound respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people — from all backgrounds, faiths and circumstances — especially society's most vulnerable.

As sibling organizations, the three separate entities share the values and mission of the congregations of Sisters who founded health care in Alberta. As leaders and innovators in their fields, each organization contributes to a strategic plan to be of greater service and to transform the health care system and create vibrant communities of health and healing.
