The very last thing we need right now is a mindset of mutual distancing... We actually need to be thinking in the exact opposite way. **Every hand that we don't shake must become a phone call that we place. Every embrace that we avoid must become a verbal expression of warmth and concern. Every inch and every foot that we physically place between ourselves and another must become a thought as to how we might help that other, should the need arise.** Let's stay safe. And let's draw one another closer in a way that we've never done before.

- Rabbi Yosef Kanefsky
