

# Palliative Education & Research Day

October 19, 2020 | Virtual Online Conference

## ALERT! DATE CHANGE

**Conference Date: Monday, October 19, 2020**

**This year we are transitioning from an in-person conference to a completely online platform For Monday, October 19<sup>th</sup>, 2020.**

Our first priority remains the health and safety of delegates, our colleagues, exhibitors and the communities in which we live and work.

## We are pleased to announce our speakers

*Plenary Speakers:* **Dr. Cara Bablitz & Brenda Reynolds**

### **The First Peoples of Canada:**

How health equity can be improved by understanding our history

*Closing Speaker:* **Matt Day**

### **The Crescendo Effect:**

Exploring key insights of professional musicians and offering a unique and engaging way to incorporate these into our daily lives

**More event details and registration information will be available in August!**

If you have questions please email Loretta Harbison or Viki Muller at
