

- S1** We will attract, engage, develop and retain Mission driven employees, physicians and volunteers and support them in discovering and deepening their own calling.
- S2** We will provide excellence in care and service by exceeding performance expectations in quality and safety.
- S3** We will utilize and enhance our information, infrastructure and financial resources to their fullest capacity.

Strategic Objectives

- G1** We will expand service and capacity in acute care to respond to a growing population and changing demographics.
- G2** We will expand our capacity to care for seniors and those with addiction and mental illness.
- G3** We will expand into community care to address gaps in service delivery.

Strategic Objectives

MISSION

We are called to continue the healing ministry of Jesus by serving with compassion, upholding the sacredness of life in all stages, and caring for the whole person – body, mind and soul.

SERVE

We will strengthen our mission and live our values to meet the needs of those we serve through excellence in care, an engaged team and wise use of our resources.

GROW

We will seek out and respond to the needs of our communities, especially vulnerable and marginalized populations.

VISION

Inspired by our mission of service, we will be leaders and partners in transforming health care and creating vibrant communities of health and healing.

VALUES

As a Catholic organization, we are committed to serving people of all faiths, cultures and circumstances, according to our Values: Compassion, Respect, Collaboration, Social Justice, Integrity, Stewardship.

CONTRIBUTE

We will leverage our legacy to maximize the strategic contribution of Catholic health care.

TRANSFORM

We will create systems of care that enable people and communities to be healthy.

Strategic Objectives

- C1** We will give voice to those who are vulnerable or voiceless through public engagement and advocacy.
- C2** We will partner with patients, residents, families, communities and key contributors to achieve health and healing.
- C3** We will leverage the legacy and strength of Catholic health care in order to be of better service to Albertans.
- C4** We will deepen the understanding of the strategic contribution of Catholic health care in Alberta and across Canada.

Strategic Objectives

- T1** We will design, implement and share high performing systems of care and service based on integration, innovation and evidence.
- T2** We will enable seniors to live to the fullness of their capacity as active and connected members of their communities.
- T3** We will create opportunities to enable those with addiction and mental illness to live and participate in community with dignity and hope.
- T4** We will be leaders in robust palliative and end of life care and advocate for it as an essential part of the health system.
